

#ThinkArtThinkAwilCollege

## Bachelor of Arts in MUSIC

This programme offers learners great opportunities to graduate into fields such as Education, Performers, Arts management and music composers among others. Learners develop skills and competencies to appreciate own music and music of others, conduct music research, as well as composing and performing music. This course allows learners into 3 major streams: Ethnomusicology, Music Performance and Musicianship and Structure Composition.

**Modules Include:** Music Technology, Music Theory & Harmony, Instrument & Music Critique.

**Requirements:** BGCSE, IGCSE, O Level or A Level, with minimum credits accumulation of 30 points for self sponsored & 36 for government sponsored students.
