BACHELOR OF ARTS IN ACTING

ENROLL NOW

Acting is a demanding learning programme that aims to produce Actors who are physically and vocally flexible and intellectually curious. This programme is for those who seek to gain professional skills that will give them a competitive edge in the Film, Television, Radio and Theatre industry. They will get training in Stage and Screen acting as well as development of the Voice and Body in performance, across multiple platforms. This programme seeks to produce professional Stage and Screen Actors, Theatre-makers, Theatre Educators and Content Creators who produce impactful work. Our students are competitive locally and internationally. Students for this programme will major in Stage, Screen and IVM. Thus, they will get an accredited degree in these fields.
